PLEASE NOTE: We are a supplement food pantry. If you're unable to get food, please visit www.feedingsouthflorida.org/Covid19 and use the agency locator to find a food pantry in your zip code. Always bring bags or open the trunk when it's your turn in line. Food is distributed first come, first served. You only can receive food once a week from here. Ninety-five percent (95%) of food received or donated is past its expiration date; in most cases, it is judged to still be wholesome and good to eat. If you feel like it is not safe for you to eat, we'll not be offended, if you don't want to take it.
