

Palm Beach County WIC knows Breast...

We're here to support WIC clients with our Back to Work/School Breast Pump Program

Qualifications for a pump include:

- Exclusively breastfed baby must be at least four weeks old
- Mom must have a strong commitment to continuing breastfeeding
- Returning to work or school within two weeks
- Have an anticipated separation from the baby of 4 hours or more a day

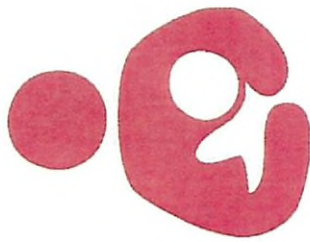

Additional Breastfeeding Support Provided:

- Breastfeeding appointments available, please call 561-357-6007
- Afterhours help is just a phone call away. 561-603-2834 or 561-398-0351

This institution is an equal opportunity provider.
